

Give Back to Your Community

Discover how you can change lives.

Singing River Health System Foundation, in affiliation with Singing River Health System, is a 501(c)(3) tax-exempt, non-profit organization that was founded in 1996 to support our local community. The fund is governed by a board of directors who are recognized local community leaders charged with upholding the vision and mission of the Foundation. All gifts to the Foundation are tax deductible, and **100% of your contributions go directly to individuals in need.**

Our mission is to help patients or employees
in urgent need of assistance within our community.

What does Singing River Health System Foundation do for you?

The Foundation supports the patients and employees of Singing River Health System who have urgent needs by utilizing donations from individuals, corporations, grants and special fundraising events.
